Dynamite Financial Solutions

Version: 5.0

Date prepared: Tuesday, 28 August 2018

AMP Advice is a trademark of AMP Limited and it is licensed to Dynamite Financial Solutions

It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services I offer, as described in this guide, including:

- who I am and how I can be contacted
- the advice and services I can provide
- information about my licensee AMP Financial Planning Limited (AMP Financial Planning)
- my fees and how I, and AMP Financial Planning, are paid in connection with those services
- how I manage your private information
- how you can complain about a matter relating to me or AMP Financial Planning

## Documents you may receive

I will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. I may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

As part of the process of understanding your needs, we may provide you with summary documents outlining your goals and priorities. These are not advice documents and should not be relied upon to make financial decisions.

When I provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a 'Goals Plan'. The goals plan contains a summary of your goals and the strategies and any financial products I may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits I and others, will receive as a result of the advice I have provided.

If I provide further personal advice, a goals plan may not be required. I will keep a record of any further personal advice I provide you for seven years. You may request a copy of such records by contacting our office during that period.

When I provide credit advice, I will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice or a Credit Proposal. I will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If I recommend or arrange a financial product for you, I will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

you select, always leaving you in control.

## Tax implications of our advice

Under the Tax Agent Services Act 2009, Dynamite Financial Solutions, trading as Dynamite Financial Solutions is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

## Transaction services

If you do not require advice, I can also arrange for you to apply for limited types of financial products where I can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without my advice, I will ask you to confirm your instructions, which I will document in writing. You can ask me for a copy of this documentation at any time.

## Your relationship with me and using my services

You can contact me directly with any instructions relating to your financial products. This includes giving me instructions by telephone, mail or email. I can only accept your instructions via email once you have signed an authority form.

I will work with you to agree what advice and services I will provide and when and how often I will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between me, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with me, please contact me using the details shown in this Guide.

## Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, I may transfer my rights and obligations under this servicing arrangement to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If I do this, the new service provider will provide the ongoing servicing to you and will be entitled to the agreed ongoing fees. The new adviser will then take over the rights and obligations on the same terms and conditions set out in this servicing arrangement and I will be released from those rights and obligations. I will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

## Providing information to me

It is important that I understand your circumstances and goals, so that I can provide you with appropriate advice and services. You have the right not to provide me with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services I provide you may not be appropriate for you.

It is also important that you keep me up to date by informing me of any changes to your circumstances so I am able to determine if our advice continues to be appropriate.

## Our fees

The fees charged for my advice and services are generally set dollar amounts. If my advice recommends you maintain an existing percentage based fee arrangement, I will fully disclose this to you, including the reasons why.

My agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

### Payment methods

I offer you the following payment options for payment of my advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to me. The percentage is determined annually, based on a number of factors, including my business revenue for the prior year.

As part of our arrangement with AMP Financial Planning Pty Limited to take you through the AMP Advice experience, the licensee fee is waived until the end of 2018.

For details of our service fees, please refer to **Schedule of fees** on page 15.

### Fixed service fees

We offer the following services at these fees:

Service	Fee
Transcation only	\$260 per hour (inc GST)
Superannuation consolidation only	Starting from \$1,600 (inc GST)
Superannuation consolidation and risk insurance (individual)	Starting from \$2,200 (inc GST)
Superannuation consolidation and risk insurance	Starting from \$3,600 (inc GST)

### Other costs

Where other costs are incurred in the process of providing my advice and services to you, you will be liable for these costs. However, I will agree all additional costs with you prior to incurring them.

### How I am paid

I am a sole trader and receive all fees and commissions paid to my practice.

## Other benefits I may receive

The following is a list of benefits I may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives I am eligible for.

In addition to the payments I may receive for my advice and services, I may receive other support services from the licensee. I may also be eligible to receive financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance. These benefits are paid at the licensee's discretion and the amounts are set by the licensee from time to time (usually on an annual basis).

I may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

### **Development, management and advice recognition**

I may be eligible for Development management and advice (DMA) recognition payments based on my performance relative to other AMP Financial Planning practices in the previous year. Up to 30% of all AMP Financial Planning practices may be eligible for DMA payments.

The DMA payment is based on a percentage of my practice revenue. My DMA percentage will be set annually and may range from 0% to 10% depending on my ranking. The relevant percentage is then applied to my practice revenue and the resulting payments are received twice a month (the 'payment period').

For example, if my DMA is set at 3% and my revenue for the payment period was \$8,500, I would receive  $\$8,500 \times 0.03 = \$255$ . Assuming an average revenue of \$8,500 per payment period, the total DMA payment received in a year would be  $\$255 \times 24 = \$6,120$ .

### **How my performance is ranked**

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of my practice as compared to other practices in the AMP Financial Planning network. The points system is based on a combination of factors within a balanced scorecard such as the quality of my services, compliance, my business goals and my engagement with my clients through a measure called Advice Growth Index (AGI). AGI measures the value of my fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months).

### **Business growth advice payments**

All practices within the AMP Financial Planning network are eligible for Business Growth Advice (BGA) payments. The payments are based on my practice revenue.

BGA payments are set at 1% of my practice revenue. Payments are received twice each month. For example, if my practice revenue was \$8,500 in a payment period, I would receive  $\$8,500 \times 0.01 = \$85$ . Assuming an average revenue of \$8,500 per payment period, the total BGA payment received in a year would be  $\$85 \times 24 = \$2,040$ .

### **Business buy-back option**

If I leave the financial services industry or can no longer appropriately service a selection of my clients, AMP Financial Planning will either look after my clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of my practice and the level of my service standards.

### **Personal and professional development**

AMP Financial Planning provides personal and professional development opportunities in the form of education and professional development programs, offered annually to qualifying practices.

## **Summit**

The Summit is a national convention available to advisers from all AMP Financial Planning practices. AMP Financial Planning subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

## **Education and professional development programs**

AMP Financial Planning will subsidise the cost of my participation in approved education and professional development programs if I meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of my services, my business goals and my ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice. Advisers are able to allocate a percentage of their grant towards travel and accommodation to attend an approved course.

## **Amicus program**

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. If a practice qualifies for the Amicus program, AMP Financial Planning will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

## **Para-planning costs subsidy**

I may be eligible for a subsidy from AMP in relation to paraplanning costs, depending on the number of paraplanning requests that I make in a particular month. If my practice submits a minimum of 5 paraplanning requests per eligible authorised representative in my practice, I receive a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 I will receive a discount of up to \$250 ( $25\% \times \$1,000 = \$250$ ) and pay a discounted fee of minimum \$750.

## **Placement fees**

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. I may share in this fee based on the level of participation by my clients.

## **Advice Creation costs subsidy**

AMP provides a discount on the cost of the advice creation service at the rate of 10%. We may be eligible for an additional discount from AMP depending on the number of requests that we submit in a particular month. If our practice submits greater than 7 Goals Plan requests per eligible authorised representative in our practice, we receive an additional discount of 10% in relation to these costs (representing a total discount of 20%). For example, if the total cost of 8 Goals Plans is \$2,000 we will receive a total discount of \$400 ( $20\% \times \$2,000 = \$400$ ) and pay a discounted fee of \$1,600. If our practice submits greater than 10 Goals Plan requests per eligible authorised representative in our practice, we receive an additional discount of 20% in relation to these costs (representing a total discount of 40%). For example, if the total cost of 11 Goals Plans is \$2,000 we will receive a discount of \$800 ( $40\% \times \$2,000 = \$800$ ) and pay a discounted fee of \$1,200.

## **Waiver of licensee fees**

While practices authorised by AMP Financial Planning Pty Limited are normally charged a licensee fee, as part of our arrangement with AMP Financial Planning Pty Limited to take you through the AMP Advice experience, a licensee fee is waived until the end of 2018.

AFG is an aggregator and it acts as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders as well as providing some other ancillary services.

Lenders may offer incentives that are paid directly to the Accredited Mortgage Consultant. These may include indirect benefits for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits.

Accredited Mortgage Consultants may be invited to attend the AFG National Conference. This is an annual event which offers Accredited Mortgage Consultants the opportunity for professional development and to hear industry updates and educational presentations by AFG and lender sponsors. AFG subsidises some costs of attendance, which may include meals and accommodation. The value will depend upon a range of factors, including the nature of the courses and events planned.

Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act, will be disclosed in our advice to you prior to application.
